### **ABOUT TMC**

Techno Mole Creations Ltd provides a range of Information Technology services designed for business productivity. From expert installation, outsourcing and implementation.

Techno Mole Creations Ltd. is a sister concern of HNS Group. Techno Mole Creation Ltd. started its journey at November, 2021 as Techno Mole Corporation and headquartered in Dhaka, Bangladesh, in order to help companies with their IT and Software solutions. Our initial focus was providing complete information technology solutions for companies. In response to customer needs - and in order to fully cover the range of IT services.

Today, from our base in Dhaka, we deliver the most comprehensive suite of managed IT services to small and medium-sized businesses. Our proven service portfolio meets the varying needs of customers with implementation services or complete outsourced solutions. Our known Quality Service allows us to provide all our customers with an efficient, seamless and worry-free "Remote IT department".

An idea in the moment has sparked a global movement. And we're just getting started.

The main idea
was to build a
team which will
